ZULHELMI SYAHTIAR

Freelance Graphic Designer & Photographer | Fresh Graduate D3 Industrial Electronics

Cipayung, Jakarta Timur, Indonesia | 0838-9446-9333 | helmi2591@gmail.com
Portfolio | LinkedIn

SUMMARY

Fresh graduate in Industrial Electronics from Politeknik Negeri Jakarta with active experience as a Freelance Graphic Designer & Photographer since March 2023, covering visual design, event photography, and social media content management. Experienced in creating graphic designs, visual documentation, and creative content for various clients and student organizations. Eager to continue learning and growing in graphic design, photography, and creative content production.

EXPERIENCE

Independent Clients – Jabodetabek *Mar 2023 – Present*
Freelance Graphic Designer & Photographer

- Provided graduation and post-thesis-defense photography services, including style direction and photo editing.
- Created printed banner designs for clients' graduation celebration events.
- Created social media graphic designs for organizations' Instagram feed content.

Mediocreation – Brand Merchandise *Entrepreneurship Assignment*
Personal Project (Personal Brand)

- Designed the brand's visual identity, Instagram feed, and promotional posters.
- Created photo/video content for Instagram Story and Reels, and merchandise designs.
- Portfolio: @me.diocreation.

PT PLN (Persero) ULTG Petukangan – South Tangerang *Jul 2025 – Oct 2025*
Protection Maintenance Intern (HAR PRO)

- Assisted with maintenance and testing of substation protection systems (OCR, GFR, Differential, Distance Relay, OVR/UVR relays).
- Took part in Battery Capacity Tests (BCT) and system testing during DSS migration at a 150kV substation.

ORGANIZATIONAL EXPERIENCE

PSYCHOROBOTIC PNJ – Depok, Jawa Barat *Mar 2025 – Dec 2025*
Communication & Information Department
Student Study Group (KSM) at Politeknik Negeri Jakarta focused on Robotics and IoT.

- Created all design assets needed by the organization.
- Documented all organizational activities.
- Managed the organization's social media.
- Created educational content about robotics.
- Took part in robotics competitions.

E-TIME 2025 – Depok, Jawa Barat *May 2025 – Jul 2025*
Creative Media Division
E-TIME (Electro Activities Programme), a national-level electrical engineering competition held by the PNJ Electrical Engineering Student Association (Line Follower, PLC, Networking, Collaborative Robot).

- Created and prepared all design assets for the event: social media feeds, posters, merchandise, print designs, and certificates.
- Produced the event's aftermovie and other publication videos.

Olahraga Elektro 2024 – Depok, Jawa Barat *Apr 2024 – Aug 2024*
Publication and Documentation Division
Annual work program of HME PNJ; a yearly sports and arts competition for the PNJ Electrical Engineering Department.

- Documented all event activities.
- Managed the event's social media.
- Created and operated the photobooth at the closing ceremony.

EC-IKI PNJ 2024 Public Lecture – Depok, Jawa Barat *Nov 2024*
Media Division
Public lecture held by the Electrical Engineering Department for the D3 Industrial Electronics and D4 Industrial Control Instrumentation study programs.

- Documented all event activities.
- Ensured a smooth Zoom meeting experience for online participants.

EDUCATION

Politeknik Negeri Jakarta – Depok, Jawa Barat *2023 – 2026*
